

June 18, 2020

Dear Friends,

I want to thank each of you for your participation in worship during this strange time. Most of our congregation is joining us in worship on-line: through our Facebook page or using the link found on the front page of the church website. In June, we also added in-person options with the uses of masks and social distancing. I want to thank our church for following the procedures set up by our PSJUMC Reopening Taskforce. We have all done a great job. Because of this, we are ready to move to a next step.

Starting this Sunday, there will only be one service at 10:00 A.M. We have indoor seating available that is properly socially distanced -- masks are required. This makes our service less weather dependent and allows for us to live-cast with our indoor equipment. We will have the doors open to allow for increased air-flow as well as no contact entrance and exit. Also, we will have outside seating available with a great breeze and great sight-lines inside. Masks are highly recommended but not required outside, but strongly recommended for entrance and exit. Social distancing and sanitizing requirements allow us to seat a total of 125 both indoors and on the Rotunda.

Thanks for your flexibility and understanding. Please stay tuned for more updates as we continue to adjust to more safely providing ministry during this time.

Peace of Christ,

Geoffrey
